Hobart, TAS | Full Driver's License

PROFESSIONAL SUMMARY

Experienced IT Support Technician skilled in delivering L1 and L2 support across MSP, enterprise, and field environments. Proven track record resolving 95%+ of issues on first contact, with expertise in Windows, Linux, Mac, Microsoft 365, Intune, and ServiceNow. Holds a Master of Information Technology, Bachelor of Software engineering, and a full Australian driver's license, ready to contribute effectively in a dynamic MSP team.

WHY I FIT THIS ROLE

MSP & On-Site Support 20+ SME clients, L1/L2 daily phone, remote, on-site	Windows, Linux & Mac Windows 7–11/Server, Unix, Linux, iOS/Android
Scripting & Automation PowerShell, Bash, Ruby, HTML/XML, Python, Java	IT Qualifications MIT Graduate ITIL Foundation Google Cybersecurity

WORK EXPERIENCE

On-Site IT Support Technician (L1/L2) | IT Hero – MSP | Hobart, TAS May 2025 – Present

- Primary support contact for 20+ SME clients, resolving 95%+ of L1/L2 hardware, software, networking, and Microsoft 365 issues on first contact via phone, remote, and on-site support.
- Manage on-site support for retail clients including Cellarbrations, Woolworths, IGA all over Tasmania, handling scheduled maintenance and urgent break-fix requests.
- Install, configure, and maintain end-user devices (desktops, laptops, printers, conferencing systems) across Windows and mixed environments.
- Carry out work orders in compliance with SWMS requirements, prioritizing workload across multiple concurrent client tickets.
- Escalate complex issues to senior technicians per established procedures while keeping clients informed throughout.
- Maintained 100% audit compliance by meticulously documenting service resolutions and follow-ups, ensuring seamless client continuity.

IT Support Technician | Woolworths Group | Sydney, NSW Jun 2024 – May 2025

- Delivered L1/L2 support for 100+ Windows 11 devices across corporate and retail environments, achieving 98% SLA compliance for hardware and software issue resolution.
- Managed VPN connectivity and resolved Zscaler access and remote connectivity issues, supporting distributed staff effectively.
- Managed incidents and service requests via ServiceNow, consistently achieving 100% SLA compliance.
- Performed desktop and laptop imaging, deployment, configuration, and full lifecycle management.
- Administered Microsoft 365, Intune for device policy management, endpoint compliance, and software deployment.
- Managed user accounts, licensing, and device administration across Microsoft 365 (Exchange Online, Teams, SharePoint, Outlook).
- Conducted network troubleshooting across switches, routers, servers, and remote desktop connectivity issues.
- Installed, configured, and troubleshooted printers, conferencing systems, and end-user peripherals on-site and remotely.
- Delivered antivirus management and proactive software maintenance in both on-site and remote support environments.

Grocery Supervisor (Part-time) | Woolworths | Sydney, NSW Sep 2022 – May 2024

- Led and coached a team of 15+, exceeding KPIs and honing communication and prioritization skills applicable to IT support environments.
- Supported onboarding of 50+ users by managing account setup, application access, and troubleshooting, enhancing user satisfaction and operational efficiency.
- Monitored system performance and resolved application issues by collaborating with developers and support teams.

IT Field Technician → Tasmania Regional Representative | IT Field Services | Sydney / Hobart, TAS 2023 – 2024

- Performed break-fix and preventive maintenance on 50+ computers, POS systems, LAN connections, and digital displays nationwide, reducing downtime by improving system reliability.
- Appointed Tasmanian regional representative, independently managing statewide client relationships and support, enhancing service delivery and client satisfaction.
- Set up and configured PCs, printers, LAN/ISP connections, and peripheral devices for new and existing clients.
- Demonstrated ability to manage workload autonomously across multiple clients with competing priorities.

Customer Service Assistant → Promoted to Supervisor | Woolworths | Sydney, NSW 2022 – 2024

- Promoted to supervisor within 18 months while completing Master of IT, demonstrating leadership and strong performance under pressure.
- Developed communication and de-escalation skills, effectively translating technical and operational information to diverse audiences, enhancing team collaboration.
